TRANSCRIPT IS UNOFFICIAL UNLESS SIGNED BY A SCHOOL OFFICIAL

Official's Signature _____ **R** **Date Printed: 12/10/2010**

The cumulative average is a numerical average of actual grades received in all courses (passed, failed or repeated). Physical education, independent study, volunteer service, religious education and audit courses are not included in the cumulative average. The cumulative average on the transcript is displayed both as an weighted and unweighted cumulative average. Additional weight is added for Honors, Advanced and Advanced Placement courses.

Sample High School Transcript

UNDERSTANDING YOUR TRANSCRIPT

- A** Personal student information, including: name, student ID number, current grade-level, date of birth, gender, parent name(s), and home mailing address. Social security numbers and your ethnicity are not reported on your transcript.
- B** Harrison High School's school code. The College Entrance Examination Code (CEEB code) is utilized by colleges and universities, the College Board, and ACT for identifying and linking our school with your college entrance exam scores (e.g., PSAT, PLAN, SAT, SAT II, AP, etc.).
- C** Student graduation date.
- D** Harrison High School's address and contact information, including your guidance counselor's full-name.
- E** Comments box. This area of the transcript is utilized to indicate any special honors that a student might have earned and includes the following:
- Diploma Awarded
 - Graduation Honors—*Cum Laude*
 - National Honor Society
 - Foreign Language Honor Society
- F** Course titles by grade. All high-school courses taken by students are included on the transcript, including those taken during 8th grade (e.g., Foreign Language, Integrated Algebra).
- G** Course titles.
- H** AP/IB Designation. Colleges and universities evaluate the transcript based on course titles. AP and IB titles receive the most weight and consideration in the college admissions process. The designation is an authorized national and international standard that colleges and universities understand versus any locally-developed curriculum.
- J** Final grade earned in each course and credit received. Final grades are determined by considering inputs from each quarter as well as any midterms and/or final examination.
- K** Credits completed by year/grade level.
- L** Unweighted GPA for year/grade level. GPA is determined by multiplying each final grade by credit-weight of the course taken. Add total and divide by total possible credits for the year. Do not include Physical Education as it does not count for this purpose.
- M** New York State Exams. All high school Regents exams are recorded, including the Second Language Proficiency exam from 8th grade. These are only recorded as best effort. Students can retake an exam and only the highest grade earned will be reported on the transcript.
- N** Cumulative Summary.
- Cumulative Unweighted GPA is determined by considering all courses completed by multiplying each final grade by credit-weight of the course taken. Add total and divide by total possible credits for the year. Do not include Physical Education.
 - Cumulative Weighted GPA is determined similarly, however, 10-points are added to each final grade for AP, IB, SUPA, and Multi-Variable Calculus courses. Add 5-points for any College-level WCC courses and AP Calculus BCI. Do not include Physical Education.
 - Total credits earned, includes Physical Education.
- P** AP Exams by title, date, and score earned. Students and parents decide whether to include ALL or NONE of the AP Exam scores on the transcript. This decision is made during the college admissions process of senior year.
- Q** SAT, ACT, SAT II tests by title, date, and score earned. Students and parents decide whether to include ALL or NONE of each type of test (e.g., SAT, ACT, SAT II). This decision is made during the college admissions process of senior year.
- R** Signature—the transcript must be signed and have an official seal in order to be accepted as an official transcript.
