

Instructions to create your Parent Account:

1. Go to <http://powerschool.harrisoncsd.org/public/>
2. Click on “Create Account” 
3. Complete the first 6 rows including your First Name, Last Name, Email, Desired Username, and password.
4. To link your child complete the bottom section with the information provided in the letter mailed home.
5. If you have more than one child in grades 6-12, you will receive a separate letter for each child. You can enter each child’s information on this screen.

Link Students to Account

Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account

	Student Name	Access ID	Access Password	Relationship
1.	<input type="text"/>	<input type="text"/>	<input type="text"/>	- Choose <input type="button" value="v"/>
2.	<input type="text"/>	<input type="text"/>	<input type="text"/>	- Choose <input type="button" value="v"/>
3.	<input type="text"/>	<input type="text"/>	<input type="text"/>	- Choose <input type="button" value="v"/>
4.	<input type="text"/>	<input type="text"/>	<input type="text"/>	- Choose <input type="button" value="v"/>
5.	<input type="text"/>	<input type="text"/>	<input type="text"/>	- Choose <input type="button" value="v"/>
6.	<input type="text"/>	<input type="text"/>	<input type="text"/>	- Choose <input type="button" value="v"/>
7.	<input type="text"/>	<input type="text"/>	<input type="text"/>	- Choose <input type="button" value="v"/>

6. When you have entered all information, click Enter.
7. You will then be able to log in to access the Parent Portal.

If you have any trouble with this process, please email portalhelp@harrisoncsd.org.
