APPLICATION FOR FILING AFTER APRIL 1 DEADLINE

To be submitted with: Private & Parochial Schools - Request for Transportation

Student Name: _____
(last) (first)

Home Address: _____

Name of School: _____

Address of School: _____

Please Note:

1. New residents submitting an application **within thirty (30) days of moving into the District** are entitled to transportation services according to District guidelines.
2. All other late applicants may receive transportation if it can be provided at no cost to the District or if a reasonable explanation is provided for the delay. The Superintendent or his or her designee will determine the reasonableness of such requests.
3. The following explanations for a late request have generally NOT been held by the Commissioner of Education to be reasonable explanations:
 - A belated decision to enroll a student in a nonpublic school.
 - The parent did not know there was an April 1 deadline.
 - The parent requested transportation before April 1 to a particular nonpublic school and then after April 1, changed the request to a different nonpublic school.
 - The parent learned of their child's difficulties in the public school after April 1.
4. For other than new residents, late applicants may be assigned to an existing bus stop.
