

Harrison Central School District
Summer Writers' Institute 2019:
WRITER'S WORKSHOP REGISTRATION FORM

for students entering 6th – 10th grades in the 2019/20 school year

The Summer Writers' Institute is a unique experience for students to develop their voice through the craft of creative writing. Students are given the opportunity to write multiple pieces through various prompts and lenses. Each day students learn about a different style of creative writing and are encouraged to emulate each style while honing in on their own creative perspective. Formats range from screenplays to poetry to narrative voice prose. Students have the chance to work independently as well as collaboratively on their pieces. By the end of the week, students will publish their work to the group blog which can be accessed through the district website. Students who participated in past years are welcome to return as the curriculum changes yearly.

Every effort will be made to accommodate your selection, which will be determined on a first come, first served basis.
