

PRE-AP SUMMER ACADEMY HARRISON HIGH SCHOOL SUMMER 2010

Harrison High School's Pre-AP Summer Academy has been designed to prepare students that are new to taking an Advanced Placement course. We are committed to the goal of college as an option for every student through equitable access to the most rigorous curriculum available. Hence we have developed a 10-day Academy to equip students with the strategies they need to succeed in an AP course.

While Harrison High School's Pre-AP Summer Academy is designed for students that are new to taking an AP course, students that have already taken an AP course are also encouraged to participate.
