

HARRISON CENTRAL SCHOOL DISTRICT 2010 SUMMER OFFERINGS FOR STUDENTS

Registration forms available on the Harrison High School Website: Parent & Student Portals

Harrison Summer School

Summer school is an opportunity for students who were not successful in one or more of their classes to earn course credit or to prepare for retaking one or more Regents exams. Earning credit and/or passing required Regents exams will help to ensure that students remain on track to graduate with their class. The 9th and 10th grade Summer School classes will include (subject to enrollment):

- English 9 or English 10 (1 credit)
- Global History & Geography 9 or 10 (1 credit & Regents Exam)
- Earth Science (1 credit & Regents Exam)
- Living Environment (1 credit & Regents Exam)
- Integrated Algebra (1 credit & Regents Exam)—available for 8th graders as well
- Integrated Geometry (1 credit & Regents Exam)
- Algebra II Trig (1 credit & Regents Exam)

Contact your child's counselor (630-3101) for more information about how to enroll.

Pre-Advanced Placement (AP) Summer Academy

Harrison High School students taking an Advanced Placement course are invited to participate in our annual AP Academy. The Academy is designed to develop the strategies and tools necessary to engage in active, high-level learning commensurate with success in AP courses. Even if a student has already taken an AP course the Academy helps to improve student readiness.

Contact 630-3332 for more information or to enroll. Please enroll by June 4.

Dates: July 12 – July 23
Times: Session 1: 8:00 - 9:30 OR
Session 2: 9:45 - 11:15
(Ten Days)
Location: Louis M. Klein Middle School

Summer Writers' Institute & College Essay Writing Workshop

Aspiring writers are invited to participate in the annual Summer Writers' Institute for students entering grades 6-12. The Institute offers students the opportunity to join a community of student writers who are focused on refining their skills by studying and analyzing the author's craft and participating in creative writing activities. High school and middle school teachers will be offering engaging workshops that help students develop their own pieces of creative writing. Incoming seniors are encouraged to participate and use the Institute as an opportunity to develop their college essays. For more information or to register, please contact the office of the Secondary Supervisor of English Language Arts at 630-3332.

Contact 630-3332 for more information or to enroll. Please enroll by June 4.

Dates: August 2 – August 6 (5 Days)
