

APUSH – Review Sessions

Dear AP Scholars,

In preparation for the AP exam we will be holding review sessions after school, and on Saturdays! In order to best prepare you for the types of questions that will be on the test we will be reviewing content by the AP Themes (on the back of this sheet). Each **Thematic** review session will include a discussion of major ideas/terms/people and the types of past essay questions that have been asked about the themes. The **Multiple Choice** review will be a chance for you to **take a practice test at home**, and we will go over the entire exam at the review. The **DBQ** review will be a chance to simulate the AP testing conditions, we will give you 15 minutes to read the documents and 45 minutes to write- you will then have a chance to look over the rubric and ask questions after.

Weekday sessions in D-104 @ 2:30

APRIL

Saturday sessions in D-106

Mon	Tue	Wed	Thu	Fri	Sat
